The image is a composite. The background is a lush green savanna landscape with rolling hills and scattered acacia trees under a soft sky. In the foreground, a large, thick, gnarled tree branch extends from the bottom right towards the center. A lioness is perched on this branch, looking towards the left. The lioness has a tawny coat with some darker spots. The text is overlaid on a semi-transparent white rectangular area in the upper center of the image.

## HELLO EAST AFRICA

### *Hello the Maasai Mara*

*World renowned for its exceptional populations of lion, leopard, cheetah and herds-a-thousand-strong of buffalo, the Maasai Mara is also home to the rare black rhino, Thomson's gazelle, topi, wildebeest and of course a thriving elephant population*

Angama Safaris services begin with a private meet & assist service off your international flight arriving at Jomo Kenyatta International Airport, Nairobi.

Enjoy a chauffeured road transfer to Wilson Airport in time to connect to a local flight to Angama Mara's private airfield, Maasai Mara.

Met by an Angama Mara guide upon arrival, take a leisurely ten minute stroll or a short drive to the lodge.

### ENJOY 3 NIGHTS AT ANGAMA MARA

Perched high above the floor of Africa's Great Rift Valley and inspired by the Swahili word for 'suspended in mid-air', Angama Mara overlooks the Maasai Mara. With two intimate camps of just 15 tented suites each, here you will find a place where everything is just as it ought to be -with tailor-made safari days and a famously warm Kenyan welcome.

## A DAY AT *Angama Mara*

Guests staying at Angama Mara are faced with many choices of how they wish to spend their day. Sunrise hot-air balloon safaris, photographing Africa's abundant wildlife, walking on the edge of the Great Rift Valley, or visiting a Maasai family in their home – these are just a few of the adventures on offer.

Wake up before the dawn and fly over the Mara in a hot air balloon, game viewing as you float gently past, or sleep in late and watch the sunrise with a steaming coffee, orange juice and a freshly-baked something delicious.

Spend the days out on safari: the Maasai Mara never fails to deliver extraordinary wildlife sightings – head out at sunrise with a picnic breakfast and be back for lunch; head out after breakfast with a picnic lunch; or a favourite, pack two picnics and spend the whole day exploring the Mara and its bountiful wildlife – this is one of the loveliest game drives of all

Or relax at the lodge: with a book by the pool, on a red rocking chair safari on your tent deck or a gentle walk up the kopje where many of the lovely scenes from the movie *Out of Africa* were filmed – complete with a romantic picnic on the rocks, just for you.

As the sun dips behind the escarpment, toast the end of the day with Maasai warriors at the Boma and dine on classic safari food – with not a buffet in sight.

*Goodbye the Maasai Mara*

## *Hello the Serengeti*

*Located in the Greater Serengeti's Mwiba Wildlife Reserve, Mwiba Lodge has over 120,000 acres of private land for guests to enjoy. Bordering onto the western boundary of the Ngorongoro Conservation Area and the southern portion of the Serengeti National Park, Mwiba is perfectly positioned to make the most of both the Great Migration and the wildebeest calving season.*

Enjoy a regional flight from Angama Mara's private airfield to Mwiba Airfield, Serengeti.

This 3-hour journey includes 2 short flights and a chauffeured cross-border transfer.

Met by an Mwiba guide upon arrival, take a short drive to the lodge.

### ENJOY 3 NIGHTS AT MWIBA LODGE

Mwiba Lodge is a hideaway suited to those who prefer to veer off the beaten path for a remote and relaxed safari. The 10 double suites are a mix of traditional and modern design, with the beautiful infinity pool that spills down the rocky landscape below being the one of the lodge's most striking features. Nothing is ever too much trouble for the staff, with guests setting their own safari schedule.

## A DAY AT *Mwiba Lodge*

With Mwiba Wildlife Reserve being formed to balance the needs of both conservation and communities, it naturally follows that guests staying at Mwiba Lodge can easily fill their days with a mix of safari and cultural activities.

Set off to explore the 129,530 acre wildlife reserve with your own dedicated vehicle and guide, perhaps stopping at one of its many freshwater springs to see the wildlife that frequent these to drink. Drives take place both day and night, with exciting wildlife-viewing opportunities, including the wildebeest calving season from January to March and the legendary leopards of Mwiba.

The chef team creates beautiful picnics in various locations dotted around the Reserve, including a special tree house; the perfect spot for a bush breakfast.

Guests can interact with local communities, including the Hadzabe, Datoga, Maasai and Sakuma tribes. The Hadzaba tribe are one of the only remaining hunter-gatherer communities in the world, and if you are fortunate, you may encounter them during a safari walk. Or perhaps an afternoon visit to a nearby Datoga village to watch the herdsman returning after their day out with the cattle?

Back at the lodge, enjoy the sun while lounging poolside, or a relaxing treatment at the spa. This is the place to slow down the pace and enjoy each moment in this secluded part of the Southern Serengeti.

*Goodbye the Serengeti*

## *Hello Zanzibar*

*Offering some of the finest beaches and water sports in East Africa, the Zanzibar archipelago's distinctive culture originates from its colourful spice route history. Stone Town, part of Zanzibar City, is an old trade centre, with mosques and winding lanes, a great way to learn about Zanzibar's rich history. Zanzibar is also the home of the endemic Zanzibar red colobus, the Zanzibar servaline genet, and the extinct or rare Zanzibar leopard.*

Board a local flight from Mwiba Airfield to Zanzibar International Airport.

Greeted by an &Beyond host on arrival, enjoy a chauffeured road transfer (1hr30min) followed by a boat ride (15min) to the island.

### ENJOY 4 NIGHTS AT &BEYOND MNEMBA ISLAND

A teardrop-shaped island just 3km's off the northeast coast of Zanzibar, Mnemba Island is an award-winning barefoot beach paradise. Including world class diving on its own atoll, this private getaway is the perfect end to an East African safari, and the iconic benchmark for other beach properties in the region.

## A DAY AT *&Beyond Mnemba Island*

Owned and operated by renowned hospitality group &Beyond, Mnemba Island invites you to lose track of time, and long stays are recommended!

The team will let you set your own pace, based on the time of the tides, sunrise and sunset, planning water sports, or just advance ordering of sundowner cocktails.

With pristine white beaches and balmy Indian Ocean water, spend hours diving in the Mnemba atoll, snorkelling straight off the beach, swimming with dolphins or just cruising on a traditional dhow – days are yours to spend completely as you wish. Other activities range from fishing to tranquil yoga sessions and if you're lucky enough, you might catch a leatherback turtle laying eggs on the beach one night, or help the babies to the water 8 -10 weeks later once the eggs have hatched.

Not surprisingly, fresh seafood features prominently on a menu which changes daily. Dining takes place in beautiful locations scattered across the island – perhaps a candlelit dinner with the ocean lapping at your feet, a private picnic or delicious mezze at sunset surrounded by lanterns? Every meal makes the most of the daily island harvest from the ocean.

At Mnemba Island, there is no schedule – each day is about doing exactly what you want to, when ever you want to do it and in your own time.

*Goodbye Zanzibar*

## *Farewell East Africa*

Enjoy a boat ride & chauffeured road transfer from Mnemba Island to Zanzibar International Airport in time to connect with your departing international flight.
