# A Maasai Safari

NGORONGORO CRATER  
SERENGETI  
MAASAI MARA

## Family Safari

This eight-night journey travels to both Tanzania and Kenya taking in all the bucket-list attractions along the way. Begin with the warmest of welcomes for a two-night stay at Gibb's Farm near the Ngorongoro Crater. From there, head into the Serengeti to enjoy a three-night authentic camping experience in the wildlife-rich Singita Grumeti Reserve, followed by three nights of tailor-made wilderness adventure at the sole-use Angama Safari Camp.

## FAREWELL EAST AFRICA

HELLO EAST AFRICA

## Hello the Ngorongoro Crater

*The world's largest, inactive caldera – created after the collapse of a volcano that probably rivaled Kilimanjaro as Africa's highest peak – Ngorongoro Crater is named after the Maasai word for 'Gift of Life'. The Crater floor teems with abundant wildlife year round, making it a must-visit destination on any East African safari.*

---

Angama Safaris services begin with a private meet and assist at Kilimanjaro International Airport, Tanzania.

Board a local flight to Manyara Airfield, Ngorongoro Crater.

A Gibbs Farm guide will greet you on arrival and drive you to the lodge (35 mins).

### ENJOY 2 NIGHTS AT GIBBS FARM

Voted by many travel publications as one of Africa's top destinations, Gibb's Farm imparts a sense of well-being, tranquillity and history—deeply rooted in African culture and community—in a warm, rustic luxury environment. This East African lodge is like no other in the region and staying here offers guests the best of everything: a magical kitchen garden, farm animals of every kind, gracious hospitality and proximity to one of the wonders of Africa, the Ngorongoro Crater.

## A DAY AT Gibbs Farm

Gibbs Farm is a two hour scenic drive from the magnificent Ngorongoro National Park. This extraordinary park is a paradise with spectacular views of the magnificent landscape and a year round abundance of wildlife.

Be sure to leave the farm well before sunrise to reach the park gate as it opens and be first down on the Crater floor with a picnic breakfast and picnic lunch at the ready.

Approximately 25 000 animals roam the the Crater floor, creating unparalleled game viewing. Among the herds of zebra and buffalo, predators such as lion, hyena and leopard can be seen. Some of Africa's biggest tuskers call this wonderland home, together with a thriving population of black rhinoceros.

Immerse yourself in the rhythms and beauty of farm life, nature and the community through Gibb's Farm's many adventures, cultural activities and opportunities for rejuvenation. From massage treatments to farm life experiences, community and cultural experiences, walking and cycling safaris and farm walks. But best of all is keep a couple of hours just to meander through their extensive kitchen garden. It is a treasure.

## Hello the Serengeti

*The Maasai Mara's famous Tanzanian counterpart, the renowned Serengeti National Park dwarfs its northern neighbour. Home to dramatic crossings of the Grumeti River and excellent game viewing on the short grass plains during the calving season, the Serengeti offers a staggering abundance of wildlife year-round.*

---

Board a local flight from Manyara Airfield to Sasakwa Airfield, Serengeti.

A Singita guide will greet you on arrival and drive you to the lodge (45mins).

### ENJOY 3 NIGHTS AT SINGITA EXPLORE

A sole-use mobile camp with between two and six tents en-suite tents, Singita Explore is set up especially for each group. It has been carefully designed to ensure minimal environmental impact, capturing the essence of authentic adventure while still providing luxurious touches.

## A DAY AT Singita Explore

Early risers can make their start as the sun rises heading off on a game drive, or those who enjoy a lazy lie-in can gently wake up while listening to the birdsong from the comfort of their bed – that is the beauty of Singita Explore. Being sole-use with a dedicated guide and camp team, each day is tailored entirely to your preferences.

Right on your doorstep is the 350,000-acre Singita Grumeti Reserve, and safari drives are always rewarding with all of the Big Five and other favourites such as cheetah, bat-eared fox and giraffe regularly seen, along with over one million wildebeest who travel through here on their migratory route. For the adventurous, there is also the option to explore the area on foot led by your safari guide.

Children are welcome and can enjoy a range of activities, including a mini-rangers course where they will learn more about the nature surrounding them. Meals are cooked over the coals and enjoyed around the fire, followed by stargazing at night.

This is the perfect choice for those who prefer an authentic camping experience that offers simplicity in tandem with the home comforts that will make your stay truly special.

## Hello the Maasai Mara

*World renowned for its exceptional populations of lion, leopard, cheetah and herds-a-thousand-strong of buffalo, the Maasai Mara is also home to the rare black rhino, Thomson's gazelle, topi, wildebeest and of course a thriving elephant population.*

---

Board a regional flight from Sasakwa Airfield to Serena Airfield, Maasai Mara.

This 3-hour journey includes 2 short flights and a chauffeured cross-border transfer.

Met by an Angama Safari Camp guide upon arrival, take a 45-minute game drive to the camp.

### ENJOY 4 NIGHTS AT ANGAMA SAFARI CAMP

Angama Safari Camp captures the romance and adventure of the glorious Golden Age of Safaris, yet with a lightness of spirit and footprint that will both surprise and delight guests. Accommodating a maximum of eight guests in four tents, the design is fresh, playful and uncluttered, which makes for easy living whole echoing many of the most-loved elements of its sister, Angama Mara.

A large herd of wildebeest and zebra are crossing a river. The water is splashing around them, and the scene is captured from a high angle. The wildebeest are in the foreground, and the zebra are further back. The water is a mix of white foam and brown mud.

## A DAY AT Angama Safari Camp

Each day at Angama Safari Camp can be as action-packed, or laid-back as guests prefer. With a dedicated guide, safari vehicle and Safari Camp team, safari drives and meals are tailored around guests' preferences.

Situated in the southern region of the Mara Triangle, not far from the Serengeti border, game drives are sure to be exciting. This area is known for its prime cheetah viewing and year-round plentiful wildlife.

Angama Safari Camp is also located near the southern crossing points, where millions of wildebeest dive off the perilous banks into the crocodile-infested Mara River during the Great Migration. This easy access means that guests can be amongst the first there in the morning, and the last to leave.

Meals are cooked over the open fire and at night served under the Milky Way, after which guests can soak up the nocturnal silence of the wilderness punctuated by the sounds of hyena and lion calling.

The only rules? Stare at the fire, listen to the birds, read, take a nap, watch the sun set, cook over the fire, breathe the fresh and share many stories.

*Goodbye the Maasai Mara*

# Farewell East Africa

Board a local flight from Serena Airfield to Wilson Airport.

Enjoy a chauffeured road transfer to Jomo Kenyatta International Airport in time to connect with your departing international flight

*“We’re better at Hello than Goodbye”*
