FAREWELL EAST AFRICA

Hello the Ngorongoro Crater

The world's largest, inactive caldera – created after the collapse of a volcano that probably rivaled Kilimanjaro as Africa's highest peak – Ngorongoro Crater is named after the Maasai word for 'Gift of Life'. The Crater floor teems with abundant wildlife year round, making it a must-visit destination on any East African safari.

Angama Safaris services begin with a private meet and assist at Kilimanjaro International Airport, Tanzania.

Board a local flight to Manyara Airfield, Ngorongoro Crater.

An &Beyond guide will greet you on arrival and drive you to the lodge (90 mins).

ENJOY 2 NIGHTS AT &BEYOND NGORONGORO CRATER LODGE

One of Africa's iconic properties, the Ngorongoro Crater Lodge is 'Maasai meets Versailles', opulent chandeliers and red roses make a perfect haven for romantics. Situated on the rim of the crater, don't miss breakfast with a view...

A DAY AT &Beyond Ngorongoro Crater Lodge

Perched above cool, swirling mists on the rim of the Crater, each of the lodge's suites offer breath-taking views.

Steeped in romance, each stilted, handcrafted mud and thatch suite is adorned with graceful antiques and grand chandeliers. The bedroom, sitting room and ensuite bathroom boast floor-to-ceiling windows, while billowing raw silk curtains and leather-backed chairs blend harmoniously with elements of African art.

Safaris are conducted on the Crater floor, a rich wildlife experience with superb black rhino viewing, a high concentration of predators, and exceptional birding (including endemic high altitude species). Catch the wildflowers in bloom from May to June, or the flamingos on the soda lake – Ngorongoro is a destination which offers something for all wildlife enthusiasts.

Service here is led by your personal butler, who discretely caters for your every need, bringing tea in bed, stoking the fire and drawing luxurious bubble baths as desired.

This is signature &Beyond hospitality at its very best.

Goodbye the Ngorongoro Crater

Hello the Serengeti

The Maasai Mara's Tanzanian counterpart, the renowned Serengeti National Park dwarfs its northern neighbour. The Serengeti offers a staggering abundance of wildlife year-round. Home to dramatic crossings of the Grumeti River and superb game viewing on the short grass plains during the calving season.

Enjoy a road transfer from &Beyond Ngorongoro Crater Lodge to Manyara Airfield in time to connect to a local flight to Sasakwa Airfield, Serengeti.

A Singita guide will greet you on arrival and drive you to the lodge.

ENJOY 3 NIGHTS AT SINGITA FARU FARU

Informal, unconventional and surprising at every turn, Singita Faru Faru Lodge is a mix of contemporary, organic style and the quirky practicality of a traditional botanist's camp.

With such close proximity to the river and plains, guests experience a very close connection with the wilderness.

A DAY AT Singita Faru Faru

Thanks to a natural water hole in front of the lodge, guests needn't ever leave, as here, the safari comes to you.

Because the surrounding grassland teems with wildlife guests can relax on the lodge's elevated viewing decks, or unwind in the comfort of their lovely suite, and watch as predators and prey are drawn right up to the waterhole.

With a swimming pool, spa, gym, boutique & gallery, as well as WiFi, all luxury safari touch points are catered for, and trained chefs gladly prepare delicious meals for all palates.

As one of Africa's most influential buyers of wine, Singita's cellars stock many sought-after private reserves and vintage wines. Whether you are a connoisseur or just enjoy the occasional glass, the lodge's experienced sommelier will be delighted to introduce you to a selection of varietals from all over the world, including South Africa's finest.

Faru Faru's canvas and thatched suites have the air of a classic safari camp, yet the interiors offer the ultimate in contemporary chic with panoramic glass windows, mirrored room dividers and claw-foot baths – the perfect place to unwind and reconnect with nature.

Goodbye the Serengeti

Hello the Maasai Mara

World renowned for its exceptional populations of lion, leopard, cheetah and herds-a-thousand-strong of buffalo, the Maasai Mara is also home to the rare black rhino, Thomson's gazelle, topi, wildebeest and of course a thriving elephant population

Board a regional flight from Sasakwa Airfield to Angama Mara's private airfield, Maasai Mara.

This 3-hour journey includes 2 short flights and a chauffeured cross-border transfer.

Met by an Angama Mara guide upon arrival, take a leisurely ten minute stroll or a short drive to the lodge.

ENJOY 5 NIGHTS AT ANGAMA MARA

Perched high above the floor of Africa's Great Rift Valley and inspired by the Swahili word for 'suspended in mid-air', Angama Mara overlooks the Maasai Mara. With two intimate camps of just 15 tented suites each, here you will find a place where everything is just as it ought to be –with tailor-made safari days and a famously warm Kenyan welcome.

A DAY AT Angama Mara

Guests staying at Angama Mara are faced with many choices of how they wish to spend their day. Sunrise hot-air balloon safaris, photographing Africa's abundant wildlife, walking on the edge of the Great Rift Valley, or visiting a Maasai family in their home – these are just a few of the adventures on offer.

Wake up before the dawn and fly over the Mara in a hot air balloon, game viewing as you float gently past, or sleep in late and watch the sunrise with a steaming coffee, orange juice and a freshly-baked something delicious.

Spend the days out on safari: the Maasai Mara never fails to deliver extraordinary wildlife sightings – head out at sunrise with a picnic breakfast and be back for lunch; head out after breakfast with a picnic lunch; or a favourite, pack two picnics and spend the whole day exploring the Mara and its bountiful wildlife – this is one of the loveliest game drives of all

Or relax at the lodge: with a book by the pool, on a red rocking chair safari on your tent deck or a gentle walk up the kopje where many of the lovely scenes from the movie *Out of Africa* were filmed –complete with a romantic picnic on the rocks, just for you.

As the sun dips behind the escarpment, toast the end of the day with Maasai warriors at the Boma and dine on classic safari food – with not a buffet in sight.

Goodbye the Maasai Mara

Farewell East Africa

Board a local flight from Angama Mara's private airfield to Wilson Airport, Nairobi.

Enjoy a chauffeured road transfer to Jomo Kenyatta International Airport in time to connect with your departing international flight.
